How the Postal Lending Library works

The postal library, like all Cerebra's Services, is free. Members can join by calling the freephone number 0800 32 81 159, or via the website at www.cerebra.org.uk

You can borrow up to two books at a time for 28 days at a time. We post the books to you and they are free to return by using the freepost label we include with the books. This can be extended as long as no-one else is waiting for the item.

The library is constantly being updated, so feel free to contact us to find out what's new, or you can check online.

All book reviews and suggestions for the library are most welcome. If you find a book particularly useful, please recommend it to us, so we can add it to our list of titles.

If you have any problems or need to contact us for any reason, our details are as follows:-

If you have any suggestions to help us improve the way the postal lending service is run, please let us know.

If you have a good book, that may be of interest to other parents, that you have finished with, why not donate it to our library. We will put a note inside it, saying who has donated it.

Children's Library

We have a growing number of books specifically for children. Some aim to help children understand specific conditions and how life is different for people with additional needs while others are just story books aimed at children with special needs - like the sign and singalong series.

To borrow any of the children's books give us a call on 0800 329 1159 or email info@cerebra.org.uk

For more details about the library and how it works flip over to the other side of this book or contact us.
