Children's Books

Children's Library

We have a growing number of books specifically for children. Some aim to help children understand specific conditions and how life is different for people with additional needs while others are just story books aimed at children with special needs - like the sign and singalong series.

To borrow any of the children's books give us a call on 0800 329 1159 or email info@cerebra.org.uk

For more details about the library and how it works flip over to the other side of this book or contact us.
