Working wonders for children with brain conditions

Families where a child has a brain condition face challenges every day. Just to learn, play, make friends and experience the world can feel difficult, even impossible. But we don't believe there's any challenge that can't be overcome.

So we listen to families, we learn from them. We carry out research, we design and innovate, we make and share. From new equipment to new learning resources, to new ways to play and support each other, everything we find out together makes life better. It opens doors to discovering the world.

It's an incredibly rewarding journey for everyone involved. Why not be a part of it? You never know what we'll discover together.

How the Postal Lending Library Works

The postal library is free of charge. You can join by filling in the webform of the library page of our website www.cerebra.org.uk or by phoning our Freephone number 0800 32 81 159 and asking to speak to the librarian.

Members can borrow two books at a time for 28 days at a time. We post the books to you with a freepost label for you to return them at the end of the loan period. If you have not finished the books you can extend the loan, provided no-one else waiting for them. Just ask the librarian.

If you cannot find a particular book you are looking for or you cannot find the subject area you are interested in, please email the librarian at janetp@cerebra.org.uk with your request and she will let you know what we have available.

Key

L = Book

AV = Audio Visual media

★ = a good book borrowed often by library members

★ = a really good book, borrowed frequently and recommended by the librarian

Box = an excellent book, very popular and particularly recommended by the librarian

Did you know?

We also lend out children's books and sensory toys?

Download the lists from our website: www.cerebra.org.uk

Frequently Asked Questions

How do I join the library?

The lending library is a free of charge service. You can join by completing the webform on the Library page of our website www.cerebra.org.uk or phoning 0800 32 81 159 and asking to speak to the librarian.

How do you store my personal details?

We ask for your postal address, a contact phone number and email address, and your child's name, date of birth and condition in order to join you as a library member. We store your details securely on our internal database, which we never share with any third parties.

Who can join the library?

Membership is open to the parents and carers of any child aged 16 or under with a neuro-developmental condition. We don't ask you to provide official confirmation of your child's condition in order to join the library. SENCOs at schools and nurseries and co-ordinators of family groups etc can also join the library.

How do I borrow books?

To borrow a book either email Jan the librarian on janetp@cerebra.org.uk or phone her on 0800 32 81 159. You can borrow two books at a time for 28 days at a time.

We send the books out in the post with a freepost label for you to return them at the end of the loan period. Loan times can be extended as long as no-one else is waiting.

How do I borrow toys?

To go on the waiting list to borrow a sensory toy either email Jan the librarian on janetp@cerebra.org.uk or phone her on 0800 32 81 159. You can borrow one toy at a time for 28 days at a time.

Sensory toys are delivered by carrier, we will contact you first to find out when will be convenient for you.

At the end of the loan period just contact us saying where and when you want the carrier to come and we will make the booking.

Please bear in mind the sensory toys are extremely popular and there is likely to be a wait to borrow one. Members can go on the waiting list for two sensory toys at a time.

Do you lend weighted items?

We have one size of weighted blanket (2.5kg) but we will require you to provide a letter from a medical professional in support of your request to borrow one before we can lend one out. Please contact Jan the librarian for a full explanation of this process.
